

Note: ALL Weekday games begin @ 6:30 p.m.

Added Tournament Rules

- No pitcher can pitch in consecutive games.
- No pitcher can pitch more than 1 inning of a game.
- NO advancement - by any runner - on overthrows.
- Control is established at any place within the infield (player does *not* need to be on the base to establish control and kill the play)

Existing Rule Reminders:

- Outfielders are to be positioned in outfield and not as short fielders lined up in the grass directly behind the infield.
- All players should rotate positions, including play in outfield and infield.
- No coaching from mound (i.e. offensive coach pitcher) – all coaching is to be done from the baseline coaches.
- Same sitting rules as regular season (e.g. each players sits at least one inning, when roster is full)

Tournament games will not end in a TIE. If after regulation innings, a tie exists, an additional 10-run inning will be played until a clear winner is produced.
